The majority of the public in the UK find hunting with hounds abhorrent. For most of us, seeing an animal die would be upsetting, not part of a fun day out. Hunters can try and dress up their actions any way they want. "Wildlife management" and "pest-control" are often cited as reasons for their hunts. But let's be clear here. These people enjoy the kill. Ban hunting with hounds and keep it banned. We now live in the 21st century. Watch tv, play squash or go down the pub!
