Subject: Fox hunting in Scotland
Date: 25 March 2016 22:20:53

Dear Sir.

There should be no loopholes to allow people hunting with dogs to torture foxes or other animals to death. A bill should state categorically without any exceptions, no dogs to tear an animal apart whether healthy, injured, or shot in the stomach to make sure it suffers. People who do this are sick and degenerate in this day and age. Please show compassion and make the ban work.

Yours very sincerely

B.Roberts (Mrs)
