We want you to ensure that the spirit of the Protection of Wild Mammals (Scotland) Act 2002 is upheld and enforced with the killing of foxes and other mammals by packs of dogs being properly banned in Scotland.

- 1: You need to ban the use of hounds to deliberately chase wild mammals and allow only drag hunting in Scotland.
- 2: You need to restrict the number of hounds which can be used to flush out foxes to a maximum of two.
- 3: Also, you need to make it compulsory for hounds to be fitted with suitable muzzles when being used to flush out foxes.

Thank you for your cooperation and mercy!
