**Date:** 30 March 2016 22:24:17

---

Dear Sirs,

This act banned what the opponents of hunting objected to - restricting the number of dogs would make the flushing out of foxes extremely difficult and therefore fox control in rural areas impossible.

The activities of hunts in Scotland are open, public and accountable and there is no public demand for change. Many, many hours have already been spent on this subject, surely there is no reason to spend more parliamentary time debating an unnecessary change to this law.

Yours faithfully

Rosamund Weaver
