Dear Lord Bonomy,

Please can you ensure that these three points are taken up and included in the Protection of Wild Mammals Act;-

- 1: Ban the use of hounds to deliberately chase wild mammals, as they have a hard enough time as it is with all the human activity.
2. Allow only drag hunting in Scotland.
3. Restrict the number of hounds which can be used to flush out foxes to a maximum of two, and make it compulsory for them to be fitted with suitable muzzle at this time.

Thank you for your kind attention,
yours sincerley, John and Sallie Porteous
