Dear Lord Bonomy,

I am 12 years old and in P7. I care about animals and have 11 pet chickens. I used to have more but a fox took two of them which was very sad. But even though I did not like what the fox did I do not think it is fair to chase the fox on horses and get a pack of dogs to chase it. I don't think it is a civilized way to behave and I would like you to help people understand that it is not right.

Yours sincerely

Max Stirling
