Subject: Protect wildlife
Date: 05 April 2016 16:45:08

Good day,

Although in the past centuries, wildlife may have threatened the safety of humans, to day it is humans who encroach o their territory. And, it is humans who understand about suffering, and who can intelligently take enlightened action to protect our wildlife. Please help keep Scotland as "wild" a place as you can - all humanely. That is the way of the 21st century.

Thank you!

Sincerely,

Patricia Perron
