15. It would be helpful for our analysis if you could indicate which of the sectors you most align yourself/your organisation with the purpose of this consultation (please

Animal welfare organisation

17. Consultation Question 1: Do you believe that the exhibitions and performances required of wild animals in travelling circuses compromise respect for the animals concerned? Why?

Yes 18 Comments

The sole purpose of human's using animal's in entertainment, is to make moneyl(greed) It's also cheap(zero money) as the animal's are not paid to perform, they are just taken advantage of I You hear terrible case's of neglect, starvation, death, it's just horrificIII Animal's are sensitive creature's that deserve respect From mankind. Decent compassionate people do not want to see animals of any kind being forced to perform acts that are

Unnatural to them!

19. Consultation Question 2: Do you believe that the exhibitions and performances required of wild animals in travelling circuses have an adverse impact on the development of respectful and responsible attitudes towards animals in children and young people? Why

Yes

20. Comments

Children are naive and seeing animal's perform in circus's

Will think that's all animals are good for and ours to treat as we wish! When they reach adulthood they are surprised to see where these beautiful creatures actually come from, and what actually comes natural to them and makes them happy and content, and that's not being in a circus!!!

21. Consultation Question 3: Do you consider that concerns relating to respect for animals could be resolved without banning the use of wild animals in travelling circuses. If so how?

No

22. Comments

People pay quite a lot of money to see animals in their natural habitats, like Africa and India, so when they see these beautiful animals in a circus or exhibit, they are not seeing the real animal and it's natural behaviori if we, as human's are taken out of our normal day to day lives and put in an restricted area or place we can become aggressive and withdrawn! You cannot teach children/people to respect animals in situations that are unnatural to them. Some ignorant people actually believe that birds belong in cages! What chance do animals have without intelligent humans fighting to protect them!

23. Consultation Question 4: Do you believe that the ability of none, some, or all wild animals to undertake natural behaviours are compromised within the travelling circus environment? Which species? Which needs? Why?

All

24. Comments

All of the above!

25. Consultation Question 5: Do you consider that it is possible to facilitate the natural behaviour of none, some, or all wild animals within the travelling circus environment? Which species? How?

None

27. Consultation Question 6: Do you consider that the concerns raised surrounding the travelling environment could be resolved without banning the use of wild animals in travelling circuses? How?

No 28. Comments

Of course not!!!!!!

29. Consultation Question 7: Do you consider that there are any benefits to be gained from having wild animals in travelling circuses? What are they?

No

30. Comments

The greed of humans

31. Consultation Question 8: Do you believe that there are sufficient benefits to justify the potential compromise to the wider well-being of wild animals kept in the travelling circus? Why? No

33. Consultation Question 9: Do you consider that the potential conflict between compromising the well-being of wild animals and obtaining any benefit could be resolved without banning the use of wild animals in travelling circuses. If so how?

No 38. Don't Know

Don't know

40. Consultation Question 11: What effect do you think a ban on the use and exhibition of wild animals would have on the revenue of such circuses? Why?

No change

42. Consultation Question 12: If a ban on the use and exhibition of wild animals was imposed, do you think that such circuses would still visit Scotland without the wild animals? Why?

Yes

43. Comments

They still want to make money!

44. Consultation Question 13: What effect do you think a ban on the use and exhibition of wild animals in travelling circuses would have on the revenue of other types of circuses (e.g. static or those travelling without wild animals)? Why? No Change
