10. Do you agree to your response being made available to the public (in Scottish Government library and/or on the Scottish Government web site)?

Yes

12. Please tick ONE of the following boxes

Yes, make my response and name available but not my address

14. We will share your responses internally with other Scottish Government policy teams who may be addressing the issues you discuss. They may wish to contact you again in the future, but we require your permission to do so. Are you content for the Scottish Government to contact you again in relation to this consultation exercise?

Yes

15. It would be helpful for our analysis if you could indicate which of the sectors you most align yourself/your organisation with the purpose of this consultation (please tick one)

Member of the general public

17. Consultation Question 1: Do you believe that the exhibitions and performances required of wild animals in travelling circuses compromise respect for the animals concerned? Why?

No

18. Comments

Wild animals should be made to perform for the public.

19. Consultation Question 2: Do you believe that the exhibitions and performances required of wild animals in travelling circuses have an adverse impact on the development of respectful and responsible attitudes towards animals in children and young people? Why

Yes

20. Comments

Young children may grown up yi believe that's its normal to ask wild animals to perform tricks.

21. Consultation Question 3: Do you consider that concerns relating to respect for animals could be resolved without banning the use of wild animals in travelling circuses. If so how?

Don't know

22. Comments

If we are to allow wild animals to be shown to the public it should only ever be to educate and not to show off tricks that they may have learnt by being deprived of food and/or treated badly

23. Consultation Question 4: Do you believe that the ability of none, some, or all wild animals to undertake natural behaviours are compromised within the travelling circus environment? Which species? Which needs? Why?

All

24. Comments

Its just not right that wild animals are usually kept in environments that generally are no where near their natural habitat and then to try and make them mobile is just not natural or right for them

25. Consultation Question 5: Do you consider that it is possible to facilitate the natural behaviour of none, some, or all wild animals within the travelling circus environment? Which species? How?

None

26. Comments

See answer as above

27. Consultation Question 6: Do you consider that the concerns raised surrounding the travelling environment could be resolved without banning the use of wild animals in travelling circuses? How?

No

28. Comments

Using wild animals in circuses should all be banned. It can't be good for any animal to be constantly uprooted.

29. Consultation Question 7: Do you consider that there are any benefits to be gained from having wild animals in travelling circuses? What are they?

No

31. Consultation Question 8: Do you believe that there are sufficient benefits to justify the potential compromise to the wider well-being of wild animals kept in the travelling circus? Why?

No

33. Consultation Question 9: Do you consider that the potential conflict between compromising the well-being of wild animals and obtaining any benefit could be resolved without banning the use of wild animals in travelling circuses. If so how?

No

38. Don't Know

Don't know

40. Consultation Question 11: What effect do you think a ban on the use and exhibition of wild animals would have on the revenue of such circuses? Why?

Don't know

41. Comments

But they could use different acts that don't involve animals. The majority of people go to circuses with their kids. Kids love anything silly that makes them laugh. It should be things like clowns not animals

42. Consultation Question 12: If a ban on the use and exhibition of wild animals was imposed, do you think that such circuses would still visit Scotland without the wild animals? Why?

Yes

43. Comments

See above comment

44. Consultation Question 13: What effect do you think a ban on the use and exhibition of wild animals in travelling circuses would have on the revenue of other types of circuses (e.g. static or those travelling without wild animals)? Why?

No Change

45. Comments

They need to be innovative in the acts they use to entice people with their kids. If they do that they shouldn't lose money

46. Consultation Question 14: What effect do you think a ban on the use and exhibition of wild animals in travelling circuses would have on the revenue of circus venues? Why?

No change

47. Comments

If they use other things as previous question

48. Consultation Question 15: Do you consider that a ban on wild animals in travelling circuses could have an impact on other industries? If so, which industries, what would be the effect and why?
