## 38. Don't Know

Don't know

## 39. Comments

Until recently I like many other people thought they had already been banned.

## 40. Consultation Question 11: What affect do you think a ban on the use and exhibition of wild animals would have on the revenue of such circuses? Why?

Increase

## 41. Comments

people go to a circus for the atmosphere and the variety of acts and as it is in a big top as opposed to a theatre people are far more relaxed. More people would take children to a circus without the animals as there are many who feel as I do.

## 42. Consultation Question 12: If a ban on the use and exhibition of wild animals was imposed, do you think that such circuses would still visit Scotland without the wild animals? Why?
