- 10. Do you agree to your response being made available to the public (in Scottish Government library and/or on the Scottish Government web site)?
 Yes
- 12. Please tick ONE of the following boxes

Yes, make my response and name available but not my address

14. We will share your responses internally with other Scottish Government policy teams who may be addressing the issues you discuss. They may wish to contact you again in the future, but we require your permission to do so. Are you content for the Scottish Government to contact you again in relation to this consultation exercise?

Yes

15. It would be helpful for our analysis if you could indicate which of the sectors you most align yourself/your organisation with the purpose of this consultation (please tick one)

Member of the general public

17. Consultation Question 1: Do you believe that the exhibitions and performances required of wild animals in travelling circuses compromise respect for the animals concerned? Why?

Yes

18. Comments

It is an unatural environment where animals are forced to perform

19. Consultation Question 2: Do you believe that the exhibitions and performances required of wild animals in travelling circuses have an adverse impact on the development of respectful and responsible attitudes towards animals in children and young people? Why

Yes

20. Comments

People do not appreciate the animals instinctive behaviours or have a true knowledge of its natural habitat

21. Consultation Question 3: Do you consider that concerns relating to respect for animals could be resolved without banning the use of wild animals in travelling circuses. If so how?

Yes

22. Comments

Circuses should only use animals whose excistece or natural habitat is not compromised.

23. Consultation Question 4: Do you believe that the ability of none, some, or all wild animals to undertake natural behaviours are compromised within the travelling circus environment? Which species? Which needs? Why?

Some

24. Comments

Animals such as lephants, lions, tigers etc all belong in their natural environment however horses, or dogs can be trained and with appropriate care and attention thrive in a circus environment.

25. Consultation Question 5: Do you consider that it is possible to facilitate the natural behaviour of none, some, or all wild animals within the travelling circus environment? Which species? How?

None

26. Comments

A circus on the move cannot mimic a natural environment

27. Consultation Question 6: Do you consider that the concerns raised surrounding the travelling environment could be resolved without banning the use of wild animals in travelling circuses? How?

No

- 29. Consultation Question 7: Do you consider that there are any benefits to be gained from having wild animals in travelling circuses? What are they?
 No
- 31. Consultation Question 8: Do you believe that there are sufficient benefits to justify the potential compromise to the wider well-being of wild animals kept in the travelling circus? Why?

No

33. Consultation Question 9: Do you consider that the potential conflict between compromising the well-being of wild animals and obtaining any benefit could be resolved without banning the use of wild animals in travelling circuses. If so how?

No

38. Don't Know

Don't know

40. Consultation Question 11: What effect do you think a ban on the use and exhibition of wild animals would have on the revenue of such circuses? Why?

Decrease

41. Comment

People who don't care about animal welfare will attend.

42. Consultation Question 12: If a ban on the use and exhibition of wild animals was imposed, do you think that such circuses would still visit Scotland without the wild animals? Why?

No

43. Comments

Not economically viable

44. Consultation Question 13: What effect do you think a ban on the use and exhibition of wild animals in travelling circuses would have on the revenue of other types of circuses (e.g. static or those travelling without wild animals)? Why?

Don't know

45. Comments

Could put the welfare of animals born in captivity and reliant on circus income at risk

46. Consultation Question 14: What effect do you think a ban on the use and exhibition of wild animals in travelling circuses would have on the revenue of circus venues? Why?

Decrease
