Yes

Dear sir, first of all, we should consider animals are living beings. They too feel pain & happiness just like humans? so just expect yourself in a cage, with little food and forced to perform difficult tasks just to make humans laugh??? and what fun do we get??? just by looking at the eyes of a caged animal, we can feel that how much pressure and sad these poor creatures are...soo for [redacted] sake stop these circuses..please allow animals to be free in their own natural habitat
