<b>Representation</b> (maximum of 2000 words)	
<p>Representation</p> <p>Swapping the order of sections a) and b) in the policy would address any potential ambiguity as it would be unusual that live work and community business spaces would always be located within an allocated employment area and at a scale that would demonstrate considerable economic benefit. The change would give upfront support to live work units, micro-businesses, community business space. Any other form of business development beyond these would then have to comply with the locational and economic requirements as defined.</p>	
<b>Modifications you wish to see made to the Plan</b> (maximum of 500 words)	
<p>Modification</p> <p>We recommend swapping the order of sections a) and b) in the policy</p>
