Dear Mr King

**TOWN AND COUNTRY PLANNING (SCOTLAND) ACT 1997  
THE TOWN AND COUNTRY PLANNING (NOTIFICATION OF APPLICATIONS)  
(SCOTLAND) DIRECTION 2009  
ERECTION OF THREE OFFICE/LABORATORY BUILDINGS; FORMATION OF ACCESS  
ROADS, CAR PARKING AND ASSOCIATED WORKS AT EDINBURGH TECHNOPOLE,  
BUSH FARM ROAD, ROSLIN**

I refer to your Council's enclosures received on 8 June 2017 with which a copy of the planning application relating to the above development was notified to Scottish Ministers in accordance with the above mentioned Direction.

Paragraph 2 (i) of the Schedule to the Direction refers to the requirement for notification in circumstances where Transport Scotland has advised against the granting of planning permission or have recommended conditions which the planning authority does not propose to attach to the planning permission.

I understand that Transport Scotland, in their completed TR/NPA/2 form dated 30 June 2017, have proposed conditions with which your Council are content and intend to append to the grant of planning permission.

Unless your Council can advise further, it appears, therefore, that this application does not require to be notified under the terms specified in your e-mail of 8 June 2017.

Yours sincerely

ALEX KERR
