Hi,

Unfortunately, I can't accept this (due to codes/conflict of interest) which I'm sure you'll appreciate. I'm very grateful for the offer though and I'm sure you'll have no problem finding willing takers.

Speak soon.

Hi,

Thanks for your time yesterday, much appreciated. If you let me know once you have dates for presenting the next stage of the report, I'll make sure I'm available.

As mentioned we have customer places at the Scotland v Wales 6 Nations match on 25th February and if you are able to make it we would love to welcome you. It will start at 1pm, finishing after 5pm, all based at the stadium with seats in the west stand, a hotpot before and pies after, and beer, wine and soft drinks to accompany.

If you could let me know if you would like to attend that would be great – I appreciate your circumstances so if you feel this would be tricky then there are other events coming up I'll happily extend an invite to in place of this.

I'd appreciate if you could let me know as soon as you can, understandably there tends to be competition for the places!

Kind regards,

.....,

Hi :.....

Please find attached call-off terms and conditions, the Gcloud guidance says that this needs to be reviewed by a lawyer. Can you please send it to your legal team for review and let me know once you have an agreement.

Regards

Hi :.....,

The review process was quite a bit quicker than expected, here is the fully marked up copy, obviously still without the reference number as previously advised.

Kind regards,

:.....

Good afternoon :.....,

I tried to call just now to confirm you have safely received this, but your phone line is out of order at present – could you drop me a note to check this has reached you please?

Many thanks,
:.....

Good morning :.....,

Please find attached Exception's response to your specification, which I trust provides the complete information you require. If there is any additional information needed please don't hesitate to contact me.

Can you let me know what the next steps are in relation to this requirement?

Kind regards,
:.....
