Oonagh - this is where our initial working through of potential costs associated with three potential structural options has got us to [see attachment set out below this e mail exchange]. [REDACTED]

[REDACTED]

I'd welcome a chance to discuss when next we're all in.

Gary/Sam – for information only at this stage.

Gary,

I had a quick chat with David yesterday. He'd still like us to complete some of these boxes where we can.

[Redacted]

Oonagh – he also asked about one-off set-up costs for the SoSV. Are we in a position to provide comment on that? I assume they are minimal?

Again, Derek and Audrey can offer advice if helpful. You and I are catching up tomorrow morning anyway and we could touch on this then.
