Operational Note  
- First Minis...

Please find attached Operational Notes for First Minister's visits tomorrow morning to the Tata Steel Works Sites at Clydebridge and Dalzell, Motherwell.

[REDACTED – NAME – EXEMPT]– I would be really grateful if you could let First Minister know that Tata staff have advised that she wears trousers for the visits. I have listed the PPE requirements in the attached operational notes (these items will be provided).

Many thanks

Kind Regards
