Hi [REDACTED]
I am [REDACTED] a Support for Learning teacher at Kirkliston Primary.
I am taking 16 House Captains and Vice Captains to the opening ceremony tomorrow.
I prepared a spread as asked and gave it to [REDACTED].
However I did not include the 2 teachers who will be with them. Do I need to?
I can do that from home this evening or when I get into school tomorrow before the bus collects us at 9:15.
Please let me know.

Sorry to bother you.

Good afternoon [REDACTED],

Further to our discussion yesterday I am delighted to confirm that we would like to invite a small group of 49 to participate in the Official Opening Celebration for the Queensferry Crossing on the morning of 4th September when Her Majesty, The Queen, will officially open the bridge. .

A total of 49 people – teacher, helper and pupils from p5-p7 are invited to attend the official opening at the south end of the Queensferry Crossing. Buses will be provided for this event and will pick up your group at 9am from school. Please ensure all wear suitable outdoor clothing and footwear in case the weather is not kind to us on the day.

For security for this event we will require names and date of birth for every person in this group. To assist you, please find attached an excel spread sheet which we request is completed and returned to Frcenquiries@transport.gov.scot before 12 noon on Friday 1st September. I hope that this does not present you with any difficulties. Please note that all adults will require photo ID with

them on the day (passport, driving licence, bus pass) and one adult should be nominated to confirm to security the name of each child participating.

In advance of your pupils and staff taking part in various events around the opening of the Queensferry Crossing please also find attached our Lesson Plans. They are written for CfE Level 2 however can be adapted by teachers to suit other levels. This may assist any teachers who are intending to cover bridges and engineering prior to or after, their pupils attending this once in a lifetime event. This is the same as provided to your teachers when they visited last term.

We look forward to welcoming you and your school to the event next week. Please don't hesitate to contact me should you require clarification on this.

Best regards

[REDACTED]

Kirkliston Primary School Head Teacher has just emailed me to confirm that they should be picked up from the main road in front of the school – Stirling Road. Can you please relay this information to the driver.

It is difficult for buses to directly access the school.

Best regards

Hi [REDACTED],

Sorry to be emailing again, can you confirm that there will be a bus to pick up the pupils, if there is we could take 25 pupils with two staff rather than the mini bus

Any more details would be helpful for a consent letter

Thanks again,

Please note the changes to the bus scheduling that will be required to bring the school pupils to the south side of the Queensferry Crossing on Monday 4th. This is required as several schools declined the offer as they did not have sufficient time to put out consent forms for pupils to attend.

Can you please confirm that the bus changes have been made – I can then score it off my list of worries!

Best regards
