For your info - taken from the Save the Free Beavers of the Tay Facebook page.

No doubt this will generate more correspondence in the next few weeks. I already have about 11 cases on this already. I'll draft a template response based on the one we drafted to Trees for Life earlier this week.

New Petition on 38 Degrees website (I presume [REDACTED] is behind this petition given the content below is almost identical to the petition) There are 775 signatures already.

1. You can write to your representatives. Look up your MSPs in www.writetothem.com by entering your postcode.
2. Write to the Cabinet Secretary for the Environment Roseanna Cunningham. CabSecECCLR@gov.scot.
3. You can tweet. Roseanna is @strathearnrose and include the hashtag #savethebeaulybeavers. You can use this on FB too. You can also retweet our tweets from @scotsbeavers.
4. You can like and share this update.

When a petition comes round you can sign it.

Lets get this stopped everyone. We can do it!

PS When you have written your letter please feel free to post the text in the comments below to inspire others.

PPS. If anyone has any other ideas please let us know.

PPPS. If anyone reading this update is from the Beauly area please let us know - we want to hear from you directly. You can make more impact if you live in the area - and the rest of us will back you up.
