

AGENDA

Meeting with the City of Edinburgh Council
Tuesday 22 August, 10:00 – 11:00
Waverley Court, East Market Street, Edinburgh

1. Business plan and priorities for the new administration

- The council recently published (15 August) their new corporate plan setting out the Council's priorities for 2017-2022.

2. National Review of Planning and Local Development Plan

- The Planning Review is clear that housing delivery and stronger planning for infrastructure are key priorities for this Government.
- Outstanding planning issues related to the Local Development Plan

3. Housing and homelessness

- The council has identified significant pressures related to welfare reform

4. New working practices, innovation and collaboration

- Discuss what opportunities exist for introducing new ways of working and how we can introduce more innovation into designing and delivering services.
- Explore what barriers may exist and how they can be overcome.

5. Locality Improvement Plans

- Explore council's plans to set up locality committees
- Work on community empowerment

6. AoB
