Hi [REDACTED]

For reference we published an article on the wrasse situation yesterday.
<http://www.openseas.org.uk/2017/10/30/cleaning-up-the-cleaner-fish/>

Aware this is a reasonably strong treatment of the subject, but we are keen that the management concerns relating to the wrasse fishery are resolved.

I'd of course welcome any comments you have on the article and any update on future management actions for this fishery.

Thanks,

Nick

Hi [REDACTED]

OK thanks. Sorry didn't know [REDACTED] was on holiday. I've now got another call on Tuesday morning 10.30am-11am, but still free around that.

Nick

Sorry about the delay.

In theory both Monday and Tuesday are possible. However, my colleague [REDACTED] would be involved and he returns from leave on Monday. On that basis I would rule out the Monday Morning in any case. The Tuesday morning slot looks a runner, but I can't confirm until Monday. The Wednesday is not an option.

I will get back to you as early as I can on Monday morning.

Hi [REDACTED]

Do any of those dates suit? We're going to be publishing an article on wrasse fishery/cleaner fish soon.

Would be good to check in about this.

Hi [REDACTED]

Understood. 4th September AM and 5th September AM/PM both suit for a call. Wednesday I could be in Edinburgh to meet in person anytime between 1pm-3.30pm.

Nick,

Sorry but other commitments mean that we would need to go for some time in early September onwards. Could you possibly identify some dates starting from 4 September?

Hi [REDACTED]

Â
Thanks very much for the offer.

Â
It's a long shot, but I will be in Edinburgh next Tuesday (29th Aug) and would be available to meet between 12pm-3pm if that happened to suit? I could come to VQ if easiest.

Â
Otherwise I'd be free for a telecall:

- Thursday 24th Aug AM/PM
- Monday 28th Aug AM/PM
- Wednesday 30th Aug AM/PM
- Thursday 31st Aug AM

Â
Best,
Nick

Â
Hello Nick, hope you are well.

Â
I am following up you e-mail to my colleague [REDACTED] following our response to your FOI/EIR request. Any discussions would be with my colleague [REDACTED] and I in this case. We could have a telecom discussion or we could meet in person. Assuming you still want to discuss, could you let me know how you would like to proceed and we can take things from there, including finding a suitable early date.
