Annemarie O'Donnell, Lead Chief Executive,
The West Partnership
Mhairi Shaw, Regional Improvement Lead,
The West Partnership

28 November 2017

Dear Colleagues,

The West Partnership – Introductory Meeting

Following the Deputy First Minister's letter of 1 November, I am writing to confirm the arrangements for our next steps in working together to implement the agreement on Regional Improvement Collaboratives in your area.

An introductory meeting with you has been agreed for 5 December in Glasgow City Chambers, George Square, Glasgow, G2 1DU.

Our aim for this meeting is to continue our discussion on: what the agreement on the establishment of Regional Improvement Collaboratives means for your area; what actions, engagement and support will be needed to operationalise that agreement over the coming weeks; and to explore with you how we can continue to work together going forward.

I have attached a suggested outline agenda for this meeting and a copy of the Joint Steering Group Report on Regional Improvement Collaboratives. If you require any further information on the meeting arrangements, please contact [redacted] on [redacted] or at [redacted]

I look forward to meeting you and working together to deliver educational improvement.

Yours sincerely

[redacted]
