Please find attached copy of SEPAs 21 day notice letter, the same letter was issued to 93 representations on 26 February 2018.

As per our conversation earlier concerning the numbers of letters received to date, to date we have received 22 responses back from those issued the 21 day notice letter, along with letters from approximately 52 others that did not receive a 21 day notice letter.

This application was issued twice, once in 2016 and again in 2017. I attach copies of both advertising documents.
