

Question

Details of any meetings or correspondence between SG ministers SCS or SpAds and Jim McColl regarding either Ferguson's Shipyard or loans and grants to Clyde Blowers Limited.

Response

Ministerial Engagements

The Scottish Government proactively publishes all Ministerial engagements with information on the date, organisation/attendees and the subject of the engagement.

Details of Scottish Ministers' engagements can be found on the Scottish Government website here:

https://beta.gov.scot/publications/?term=Ministerial&publicationTypes=transparency_data. The latest published information covers the period to June 2018, information for July 2018 is due for publication in early October, and August 2018 information in early November.

Please note that: (a) one meeting between the then Cabinet Secretary for Finance and the Constitution (Derek Mackay MSP) and Jim McColl which took place on 5 June 2018 was not recorded on the published log due to an administrative error and (b) Cabinet Secretary for Transport, infrastructure and Connectivity (Michael Matheson MSP) met Jim McColl on 13 August 2018.

Ministerial engagements for the period before May 2016 have been archived and can be viewed here: <https://beta.gov.scot/publications/ministerial-engagements-travel-and-gifts-archive/>.
