Hi Geoff,

We had an introduction call with you, [redacted] and [redacted] before. Ashly and me will be in Edinburgh on March 16th. Are you available for a F2F meeting on March 16th ? We would like to meet you and the colleagues to discuss collaboration opportunities with the Scottish Government. We proposed to understand and discuss for the meeting:

- The Scottish Government's projects (innovation test bed, rural connectivity, digital inclusion, digital skills, green technologies etc.) which we can contribute and have the partnership.
- The attached CENSIS proposal for the collaboration with Huawei and the University of Glasgow . We would like to understand whether the Scottish Government can be part of the collaboration.
- New Innovation Accelerators in Glasgow-City Region (announced from the Levelling Up white paper). Is there any opportunity that we can contribute?

Looking forward to your response. Thanks.
