Subject: Persimmon Homes - site visit

Dear Mr McLennan,

Thanks very much for your time last week and the opportunity to discuss next steps following Persimmon signing the Scottish Safer Buildings Accord. We are committed to continuing to work closely with the Scottish Government to make progress on remediation as quickly as possible.

I said I would follow-up on our discussion about the possibility of arranging a site visit over the summer. We would be delighted to welcome you to our Earls development at Blindwells in your constituency, to see first-hand the work being undertaken there to create a successful and sustainable new community.

If this would be of interest, please do ask your office to suggest a convenient date and I'll be happy to make the necessary arrangements.

Thanks again for your time last week and I hope to be able to meet with you in-person in the near future.

Best wishes,
