SCOTTISH HEALTH SURVEY

FOLLOW-UP RESEARCH

(ADULTS 16+)

- In the future, the Scottish Government may want follow-up research to be conducted among particular groups of the public to improve health or health services.
- If you are willing, your name, contact details and relevant answers you have given during the interview will be passed on to the Scottish Government or research agencies, with the permission of the Scottish Government, for this purpose.
- Please be assured that if you sign this statement, any information you provide as part of the survey will only be released for statistical and research purposes carried out by reputable research organisations and that your confidentiality will be protected in the publication of any results given.
- Any information passed to any other organisation will be treated in accordance with the 1998 Data Protection Act and will not be used for any purposes other than future research about health or health services.
- Researchers are not interested in your individual answers but instead are interested in the combined answers of all the people interviewed.
- If you are invited to take part in any future studies you will be free to refuse if you do not want to take part.
- You can cancel this permission at any time in the future by writing to: ScotCen Social Research, Scotiabank House, 2nd Floor, 6 South Charlotte Street, Edinburgh, EH2 4AW.

Your consent

I, (name) _____ consent to ScotCen Social Research passing my name, address and answers I have given in this interview to:

the **Scottish Government** or research agencies with the permission of the Scottish Government.

Signed _____ Date _____

I understand that these details will be used for the purpose of follow-up research only and that I am free to decline to take part in any future studies if asked.
