## Facal-toisich bhon Mhinistear

Mar am Ministear le uallach airson Gàidhlig, tha mi fior thoilichte mo thaic a chur ri ullachadh a' chiad Phlana Gàidhlig againn. Tha Riaghaltas na h-Alba a chaidh a dheasachadh fo chumhachan Achd na Gàidhlig (Alba) 2005.

Tha mi cinnteach gu bheil ar Plana a' dèanamh soilleir ciamar a bhios an Riaghaltas a' cleachdadhan Gàidhlig agus a' toirt cothrom air a bhith ga cleachdadhan ann an lìbhrigeadh a seirbheisean. Tha am Plana Gàidhlig cuideachd a' mìneachadh nan ceuman a tha sinn air a chur an sàs gus taic a thoirt do dh'adhartachadh na Gàidhlig air feadh Alba. Bidh iad sin a' mìneachadh cheuman a tha ag amas air àrdachadh inbhe, adhartachadh cleachdadhan, agus brosnachadh ionnsachadh na Gàidhlig.

Buinidh a' Ghàidhlig do dh'Alba air fad. Tha i na pàirt shònraichte agus riatanach den bheatha chultarail phait agus mheasgaichte an Alba. Feumaidh sinn dèanamh cinnteach gun gabh sinn na ceuman a dh'fheumar gun dàil gus àite na Gàidhlig a dhèanamh tèarainte san àm ri teachd. Tha Riaghaltas na h-Alba air a bheachd a dhèanamh glè shoilleir mun chùis seo. Thàinig sinn don Riaghaltas le prògram làidir de dh'àrd-amasan Gàidhlig agus tha mi an dòchas gun cuidich ar Plana Gàidhlig a' toirt tuilleadh taic do na dleastanasan sin.

## **Ministerial Foreword**

As Minister with responsibility for Gaelic, I am very pleased to support the preparation of our first Gaelic Language Plan. The Scottish Government's Gaelic Language Plan which has been produced under the terms of the Gaelic Language (Scotland) Act 2005.

I am confident that our Plan sets out clearly how the Scottish Government will use and enable the use of Gaelic in the delivery of its services. The Gaelic Language Plan also outlines the measures which we have put in place to support the promotion of Gaelic throughout Scotland. These will describe measures aimed at raising the status, promoting the use, and encouraging the learning of Gaelic.

Gaelic belongs to the whole of Scotland. It is unique and an essential part of the rich and diverse cultural life of Scotland. We must ensure we take the necessary and urgent steps to secure its place in the future. The Scottish Government has made its position very clear on this matter. We came to Government with a strong programme of ambitious Gaelic commitments and I hope that our Gaelic Language Plan will help further support these commitments.

### Sealladh

Tha Riaghaltas na h-Alba a' tuigsinn gu bheil a' Ghàidhlig na pàirt riatanach de dhualchas, dearbh-aithne nàiseanta agus beatha chultarail Alba an latha an-diugh. Tha Riaghaltas na h-Alba air ceuman a ghabhail agus air na structairean agus iomairtean a dh'fheumar a chur an sàs gus dèanamh cinnteach gum bi seasmhachd aig a' Ghàidhlig an Alba san àm ri teachd.

Ach, tha suidheachadh na Ghàidhlig air leth cugallach. Ma tha a' Ghàidhlig gu bhith beò anns na làithean ri teachd, feumar oidhirp làidir bhon Riaghaltas, an earrann phoblach, an earrann phrìobhaideach, buidhnean coimhersnachd agus luchd-labhairt fa leth gus:

- >> *cur ri inbhe na Ghàidhlig***
- >> *adhartachadh togail agus ionnsachadh na Ghàidhlig***
- >> *brosnachadh tuilleadh cleachdadh na Ghàidhlig.***

'S e 'Plana Gàidhlig' Riaghaltas na h-Alba a tha seo, air ullachadh taobh a-staigh frèam Achd na Gàidhlig (Alba) 2005. Tha e a' mìneachadh ciamar a nì sinn feum den Gàidhlig nar n-obair, ciamar a bheir sinn cothrom air cleachdadh na Gàidhlig nuair a bhios daoine ag eadar-obrachadh leis an riaghaltas, agus ciamar a bhrosnaicheas sinn leasachadh na Gàidhlig.

Tha leasachadh Planaichean Gàidhlig le buidhnean poblach na phrìomh phàirt de Achd 2005. Tha Planaichean Gàidhlig a' cuideachadh le foirmeachadh agus innse do luchd-obrach buidhne dè a phoileasaidh an co-cheangal ri cùisean na Gàidhlig agus a' dèanamh soilleir do luchd-cleachdaidh agus luchd-ionnsachaидh na Gàidhlig dè na seirbheisean a dh'fhaodas iad a shùileachadh tron Ghàidhlig.

Chaidh Plana Gàidhlig Riaghaltas na h-Alba ullachadh ann an co-rèir ri slatan-tomhais reachdail air an comharrachadh ann an Achd 2005, agus a' toirt aire do Phlana Nàiseanta na Gàidhlig agus don Stiùireadh mu Leasachadh Planaichean Gàidhlig aig Bòrd na Gàidhlig.

## Summary

### Overview

The Scottish Government recognises that Gaelic is an integral part of Scotland's heritage, national identity and current cultural life. The Scottish Government has taken action and has put in place the necessary structures and initiatives and to ensure that Gaelic has a sustainable future in Scotland.

The position of Gaelic is, however, extremely fragile. If Gaelic is to have a sustainable future, there needs to be a concerted effort on the part of Government, the public sector, the private sector, community bodies and individual speakers to:

- >> enhance the status of Gaelic**
- >> promote the acquisition and learning of Gaelic**
- >> encourage the increased use of Gaelic.**

This document is the Scottish Government's Gaelic Language Plan, prepared within the framework of the Gaelic Language (Scotland) Act 2005. It sets out how we will use Gaelic in carrying out our business, how we will enable the use of Gaelic when people interact with the government, and how we will promote the development of Gaelic.

The development of Gaelic Language Plans by public bodies is a key component of the 2005 Act. Gaelic Language Plans help to formalise and communicate to an organisation's staff what its policy is in relation to Gaelic matters and makes clear to users and learners of Gaelic what services they can expect to access through Gaelic.

The Scottish Government's Gaelic Language Plan has been prepared in accordance with statutory criteria set out in the 2005 Act, and having regard to Bòrd na Gàidhlig's National Plan for Gaelic and Guidance on the Development of Gaelic Language Plans.

### CAIBIDIL I – RO-RÀDH

#### Sealladh farsaing air Achd na Gàidhlig (Alba) 2005 agus ullachadh Planaichean Gàidhlig

Achd na Gàidhlig (Alba) 2005

Bha Achd na Gàidhlig (Alba) 2005 air a cur an gnìomh le Pàrlamaid na h-Alba le sùil ri inbhe thèarainte fhaighinn don Ghàidhlig mar chànan oifigeil an Alba le spès co-ionann ris a' Bheurla.

## The Scottish Government Gaelic Language Plan

### CHAPTER I – INTRODUCTION

#### Overview of the Gaelic Language (Scotland) Act 2005 and the preparation of Gaelic Language Plans

*The Gaelic Language (Scotland) Act 2005*

The Gaelic Language (Scotland) Act 2005 was passed by the Scottish Parliament with a view to securing the status of the Gaelic language as an official language of Scotland commanding equal respect to the English language.

Tha an t-àm seo riatanach don Ghàidhlig san àm ri teachd. Tha suidheachadh a' chànan air leth lag agus le àireamhan nan daoine a tha a' bruidhinn na Gàidhlig gu fileanta no mar thùs-chànan ann an sgìrean traidiseanta a' chànan a' crionadh tha cunnart ann nach mair a' Ghàidhlig mar chànan beò an Alba. Tha e riatanach ceuman a ghabhail gus a' Ghàidhlig a dhèanamh seasmhach an Alba.

'S e aon de na priomh nithean ann an Achd 2005 an t-ullachadh a tha a' toirt cothrom do Bhòrd na Gàidhlig (am priomh bhuidheann leasachaидh Gàidhlig aig Riaghaltas na h-Alba) iarraidh air buidhnean poblach Planaichean Gàidhlig ullachadh. Bha an t-ullachadh seo air a dhealbh gus dèanamh cinnteach gum bi an earrann phoblach an Alba a' gabhail a pàirt ann an cruthachadh seasmhachd don Ghàidhlig san àm ri teachd tro bhith ag àrdachadh a h-inbhe agus a h-iomhaigh agus a' cruthachadh cothroman practaigeach airson a bhith ga cleachdad.

#### *An riatanas a bhith ag ullachadh Plana Gàidhlig*

Tha an riatanas airson buidheann poblach a bhith ag ullachadh Plana Gàidhlig a' tòiseachadh le Bòrd na Gàidhlig a' cur a-mach fios foirmeil airson sin fo earrann 3 de Achd 2005. Fhuair Riaghaltas na h-Alba fios san Lùnastal 2006, agus chaidh iarraidh air a Phlana Gàidhlig a chur chun a' Bhùird airson aonta san Ògmhios 2008.

#### *Priomh nithean air am feumar beachdachadh ann an ullachadh Plana Gàidhlig*

Tha Achd 2005 a' comharrachadh grunn shlatan-tomhais sònraichte dom feum buidhnean a tha ag ullachadh Planaichean Gàidhlig aire a thoirt. Tha iad sin air an dealbh gus dèanamh cinnteach

gu bheil na Planaichean Gàidhlig a tha air an ullachadh coileanta, co-chòrdail agus iomchaidh do shuidheachadh fa leth na buidhne a tha ga ullachadh.

- (i) **an ìre a tha Gàidhlig ga cleachdad le daoine dom bi an t-ùghdarris a' cur a dhleastanasan an gnìomh, agus an comas air cleachdad na Gàidhlig a leudachadh an co-cheangal ri coileanadh nan gnìomhan sin**

Tha seo air a dhealbh gus dèanamh cinnteach gun toir na Planaichean Gàidhlig air an ullachadh le buidhnean poblach aire don àireamh luchd-labhairt a tha taobh a-staigh an raon-obrach aca, agus an comas air cleachdad a' chànan a leudachadh. San fharsaingeachd, thathar a' sùileachadh gun deasaich buidhnean poblach le àireamhan mòra de luchd-labhairt Gàidhlig taobh a-staigh an raon obrach aca Planaichean Gàidhlig nas làidire.

- (ii) **stiùireadh reachdail mu ullachadh Planaichean Gàidhlig air fhoillseachadh le Bòrd na Gàidhlig fo earrann 8 de Achd 2005**

Tha Bòrd na Gàidhlig air stiùireadh reachdail fhoillseachadh fo earrann 8 de Achd 2005, a tha a' toirt comhairle air mar bu chòir Planaichean Gàidhlig a dhealbh agus air dè bu chòir do dh'ùghdarrasan poblach smaoineachadh air cur a-steach sna planaichean aca.

This is a critical time for the future of Gaelic. The position of the language is extremely fragile and the declining numbers of those speaking Gaelic fluently or as a mother-tongue in the language's traditional heartlands threatens the survival of Gaelic as a living language in Scotland. It is essential that steps are taken to create a sustainable future for Gaelic in Scotland.

One of the key features of the 2005 Act is the provision enabling Bòrd na Gàidhlig (the Scottish Government's principal Gaelic development body) to require public bodies to prepare Gaelic Language Plans. This provision was designed to ensure that the public sector in Scotland plays its part in creating a sustainable future for Gaelic by raising its status and profile and creating practical opportunities for its use.

#### *The requirement to prepare a Gaelic Language Plan*

The requirement for a public body to prepare a Gaelic Language Plan is initiated by Bòrd na Gàidhlig issuing a formal notice to that effect under section 3 of the 2005 Act. The Scottish Government was issued with a notice in August 2006, and was asked to submit its Gaelic Language Plan to the Bòrd for approval during June 2008.

#### *Key considerations when preparing a Gaelic Language Plan*

The 2005 Act sets out a number of specific criteria which must be taken into account by bodies preparing Gaelic Language Plans. These are designed to ensure that Gaelic Language Plans which are prepared are comprehensive, consistent and appropriate to the particular circumstances of the body preparing it.

(i) the extent to which the persons in relation to whom the authority's functions are exercisable use the Gaelic language, and the potential for developing the use of the Gaelic language in connection with the exercise of those functions

This consideration is designed to ensure that the Gaelic Language Plans prepared by public bodies take account both of the existing number of speakers within their area of operation, and their potential to develop the use of the language. Generally speaking, the expectation is that public bodies with significant numbers of Gaelic speakers within their area of operation will develop stronger Gaelic Language Plans.

(ii) statutory guidance on the preparation of Gaelic Language Plans published by Bòrd na Gàidhlig under section 8 of the 2005 Act

Bòrd na Gàidhlig has published statutory guidance under section 8 of the 2005 Act, which provides advice on how Gaelic Language Plans should be structured, and on the content which public authorities should consider including in their Plans.

### (iii) Plana Nàiseanta na Gàidhlig

'S e sgrìobhainn reachdail a tha ann am Plana Nàiseanta na Gàidhlig air a dheasachadh le Bòrd na Gàidhlig fo earrann 2 de Achn 2005. Tha am Plana Nàiseanta a' toirt sealladh iomlan air feuman leasachaидh na Gàidhlig, a' gabhail a-steach cùisean togail cànan, cleachdadadh cànan, inbhe cànan agus corporas cànan. Tha e a' mìneachadh priomhachasan airson leasachadh na Gàidhlig, agus a' comharrachadh buidhnean a dh'fhaodas cuideachadh len coileanadh.

### (iv) tagraighean sam bith a rinneadh ris a' bhuidhinn phoblach a tha ag ullachadh a phlana mun dòigh a tha e a' cleachdadadh na Gàidhlig

Tha seo air a dhealbh gus dèanamh cinnteach gun toir buidhnean poblach aire do bheachdan bhuidhnean le ùidh sa chùis nuair a tha iad ag ullachadh am Planaichean Gàidhlig. 'S e a' phrìomh dhòigh air na beachdan sin fhaighinn le Riaghaltas na h-Alba co-chomhairlean poblach air a dhreachd Phlana.

### (v) prionnsabal spèis cho-ionann

Bha prionnsabal spèis cho-ionann air fhilleadh a-steach ann an Achn 2005 le Pàrlamaid na h-Alba mar aithris dheimhinneach gu bheilear a' cur meas air a' Ghàidhlig, a' toirt feart air a' mhiann aig luchd-cleachdaidh na Gàidhlig gum bi cleachdadadh na Gàidhlig cho nàdarrach 's a ghabhas nam beatha, gum biodh spiorad blàth

don Ghàidhlig air feadh Alba, agus nach bu chòir don chànan fulang tro chion spèis sam bith bho dhaoine fa leth no bho bhuidhnean. Tha stiùireadh a' Bhùird ag aithris gur dòcha nach eil spèis cho-ionann don Ghàidhlig a' leantainn gu dèiligeadh co-ionann don Ghàidhlig agus don Bheurla, no gum feum ire shònraichte de sholarachadh Gàidhlig a bhith ri fhaotainn anns gach suidheachadh. 'S ann a tha e a' misneachadh bhuidhnean poblach gu bhith a' strì, a dh'aindeoin dè an suidheachadh cànan sònraichte a tha romhpa, a bhith taiceil agus fialaidh do leasachadh na Gàidhlig agus am Planaichean Gàidhlig ullachadh le sùil ri cleachdadadh na Gàidhlig a dhèanamh cho furasta 's a ghabhas a rèir an t-suidheachaidh aca fhèin. Nuair a tha sinn a' libhrigeadh sheirbheisean tron Ghàidhlig, feuchaidh sinn ri dèanamh cinnteach gum bi an ire agus càileachd den aon ire 's a bhiodh iad tron Bheurla.

### *Co-chomhairle air dreachd Phlana Gàidhlig*

A rèir Achn 2005 feumaidh buidhnean poblach ullachadh a' Phlana Gàidhlig aca a thoirt gu aire dhaoine aig a bheil ùidh ann. Gus seo a dhèanamh, rinn Riaghaltas na h-Alba co-chomhairle phoblach air dreachd den phlana Gàidhlig aige ann an 2009.

*Aonta do Phlana Gàidhlig Riaghaltas na h-Alba*  
Bidh Plana Gàidhlig Riaghaltas na h-Alba air a chur chun a' Bhùird agus air aontachadh leis a' Bhòrd.

### **(iii) the National Plan for Gaelic**

The National Plan for Gaelic is a statutory document produced by Bòrd na Gàidhlig under section 2 of the 2005 Act. The National Plan offers a holistic overview of Gaelic development needs, covering language acquisition, language usage, language status and language corpus issues. It sets out priorities for Gaelic development, and identifies bodies which can contribute to achieving them.

### **(iv) any representations made to the public body preparing its Plan about how it uses Gaelic**

This provision is designed to ensure that public bodies take into account the views of interested parties in the preparation of their Gaelic Language Plans. The principal means of obtaining these views by the Scottish Government was through public consultation on its draft Plan.

### **(v) the principle of equal respect**

The principle of equal respect was incorporated into the 2005 Act by the Scottish Parliament as a positive statement about the value and worth of Gaelic, in recognition of the fact that users of Gaelic aspire to use Gaelic as normally as possible in their lives, that there should be a generosity of spirit towards Gaelic across Scotland, and that the language should not suffer from any lack of

respect either at an individual or corporate level. The Bòrd's guidance states that giving Gaelic equal respect does not automatically mean identical treatment for Gaelic and English, or that a particular level of Gaelic provision must be made available in all circumstances. Instead, it encourages public bodies to endeavour, whatever the particular linguistic landscape they face, to be supportive and generous to Gaelic development and to prepare their Gaelic Language Plans with a view to facilitating the use of Gaelic to the greatest extent that is appropriate to their individual circumstances. When delivering services in Gaelic, we shall endeavour to ensure they are of a comparable standard and quality as those they provide in English.

#### *Consultation on a draft Gaelic Language Plan*

The 2005 Act requires public bodies to bring the preparation of its Gaelic Language Plan to the intention of those with an interest in it. To do so, the Scottish Government consulted publicly on a draft of its Gaelic Language Plan in 2009. We have endeavoured to include these in our Plan.

#### *Approval of the Scottish Government Gaelic Language Plan*

The Scottish Government Gaelic Language Plan was submitted to the Bòrd and approved by the Bòrd.

## Overview of the functions of the Scottish Government and the use of Gaelic within our area of operation

The Scottish Government is the devolved government for Scotland. The Scottish Government was established in 1999, following the first elections to the Scottish Parliament. The Scottish Government is led by a First Minister who is nominated by the Parliament and in turn appoints the other Scottish Ministers who make up the Cabinet.

Scottish Government civil servants are accountable to Scottish Ministers, who are themselves accountable to the Scottish Parliament. The senior board of the Scottish Government is called the Strategic Board. The Board is chaired by the Permanent Secretary and the members of the Board are Director-Generals of the core Directorates of the Scottish Government plus three non-executive members.

The Scotland Act lists, in Schedule 5, the matters that are reserved. Any matter not so reserved, or otherwise defined in the Act as being outwith the competence of the Parliament, is devolved. Table 1 below shows some of the key devolved and reserved issues. The Scottish Government is responsible for most of the issues of day-to-day concern to the people of Scotland, including health, education, justice, environment and rural affairs, and transport. The outcome of the Spending Review 2007 was announced on 14 November 2007. Scotland's budget is £29.8 billion from 2007/08 to 2010/11.

The Scottish Government's main offices are located in Edinburgh at Victoria Quay, St Andrew's House, Saughton House and Pentland House; and, in Glasgow, at Atlantic Quay. Additionally, we also have around 70 area offices stretching from Kirkwall in the North to Stranraer in the South.

- >> **Buidhnean iomairt** – air an stèidheachadh le Ministearan mar phàirt de roinnean Riaghaltas na h-Alba, no mar roinnean dhiubh fein, gus an raointean obrach fhèin a choileanadh. Tha seirbheisich catharra ag obair anns na buidhnean iomairt;
- >> **Buidhnean poblach ( NDPBan )** – buidhnean poblach nàiseanta agus roinneil, nach eil a' coileanadh an gniomhan làitheil còmhla ri Ministearan, ach le Ministearan cunntachail air an son aig a' cheann thall; agus

Tha raon obrach Riaghaltas na h-Alba a' gabhail a-steach Alba gu lèir. Mar sin, tha gach neach-labhairt Gàidhlig agus coimhairsnachd Ghàidhlig an Alba taobh a-staigh na sgìre sa bheil Riaghaltas na h-Alba ag obrachadh a' gabhail a-steach a h-uile sgìre sa bheil daoine comasach air tuigsinn, labhairt, leughadh no sgrìobhadh Gàidhlig a' dèanamh suas mòr-chuid den àireamh-sluagh.

The work of the Scottish Government is carried out by:

- >> **The Scottish Government** – the mainstream civil service in Scotland with the core Directorates of Economy and Chief Economic Adviser, Health and Wellbeing, Justice and Communities, Environment, Education and the Office of the Permanent Secretary;
- >> **Agencies** – established by Ministers as part of Scottish Government departments, or as departments in their own right, to carry out a discrete area of work. Agencies are staffed by civil servants;
- >> **Public bodies (NDPBs)** – national and regional public bodies, carrying out their day-to-day functions independently of Ministers, but for which Ministers are ultimately accountable; and

- >> **Task Forces** – advisory bodies established by Ministers to investigate and report on particular issues. Task Forces have a short lifespan, normally around a year or so, and are abolished once they have reported.

The Scottish Government's area of operation is all of Scotland. It therefore follows that all of Scotland's Gaelic speakers and Gaelic communities are within the area in which the Scottish Government operates including all of the districts in which persons able to understand, speak, read or write Gaelic form a majority of the population.

## Cunntasan-sluaign<sup>1</sup>

B' e an àireamh iomlan de dhaoine air an clàradh comasach air labhairt agus/no leughadh agus/no sgrìobhadh agus/no tuigsinn Gàidhlig ann an cunntas-sluaign 2001 92,400 (1.9% de dh'aireamh-sluaign na h-Alba). Dhiubh sin, b' e an àireamh iomlan de dhaoine a b' urrainn Gàidhlig a bhruidhinn 58,652 (1.2% de dh'Aireamh-sluaign na h-Alba).

Ged a chaidh an àireamh de luchd-labhairt Gàidhlig uile gu lèir sìos anns a' chunntas-sluaign mu dheireadh, chaidh an àireamh de dhaoine comasach air labhairt agus cuideachd air leughadh agus sgrìobhadh Gàidhlig suas eadar 1991 agus 2001 a' sealltainn fàs ann an litearrings Gàidhlig agus anns an àireamh de luchd-ionnsachaидh Gàidhlig. Mheudaich an àireamh de chloinn aois 5-15 comasach air labhairt Gàidhlig cuideachd eadar 1991 agus 2001. Tha e na phrìomhachas aig an Riaghaltas seo a bhith a' cumail na h-àireimh de luchd-labhairt Gàidhlig seasmhach aig na h-ìrean a bha aca ann an 2001 ro chunntas-sluaign 2021.

Tha luchd-labhairt Gàidhlig sgapte air feadh Alba. Den luchd-labhairt Gàidhlig air an comharrachadh ann an cunntas-sluaign 2001, bha beagan a bharrachd air an dara leth a' fuireach ann an siorrachdan na Gàidhealtachd (sgìrean Chomhairle na Gàidhealtachd, Chomhairle Earra-Ghàidheil & Bhòid agus Chomhairle nan Eilean Siar) agus beagan nas lugha na an dara leth ann an sgìrean na Galltachd. Tha a' Ghàidhlig air a bruidhinn le mòr-chuid de dhaoine ann an sgìre Chomhairle nan Eilean Siar agus ann an sgìre Chille Mhoire san Eilean Sgitheanach taobh a-staigh sgìre Chomhairle na Gàidhealtachd. Chan eil ach dìreach beagan a bharrachd air cairteal de luchd-labhairt a' fuireach ann an sgìrean far a bheil luchd-labhairt Gàidhlig a' dèanamh suas mòr-chuid.

Tha ìre àrd cathaireachaidh taobh a-staigh na coimhlearsnachd Gàidhlig le dùmhachadh mòr de luchd-labhairt Gàidhlig a' fuireach ann an Sgìre Ghlaschu, Dùn Èideann, Inbhir Nis agus Obar Dheathain. Mar eisimpleir, tha 11,211 neach-labhairt Gàidhlig, no 19% den luchd-labhairt Gàidhlig air fad, a' fuireach ann an Sgìre Ghlaschu a rèir cunntas-sluaign 2001.<sup>2</sup>

## **Demographics<sup>1</sup>**

The total number of people recorded as being able to speak and/or read and/or write and/or understand Gaelic in the 2001 census was 92,400 (1.9% of the Scottish population). Of these, the total number of people who could speak Gaelic was 58,652 (1.2% of the Scottish Population).

While the number of Gaelic speakers declined overall in the last census, the number of people able to speak and also to read and write Gaelic increased between 1991 and 2001 reflecting a growth in Gaelic literacy and growing numbers of Gaelic learners. The number of children aged 5-15 able to speak Gaelic also increased between 1991 and 2001. It is a priority for this Government to stabilise the number of Gaelic speakers at their 2001 levels by the 2021 census.

Gaelic speakers are spread throughout Scotland. Of the Gaelic speakers identified in the 2001 census, just over half lived in the Highland counties (the Highland Council, Argyll & Bute Council and Comhairle nan Eilean Siar areas) and just under half in the Lowland areas. Gaelic is spoken by a majority of people in the Comhairle nan Eilean Siar area and in the parish of Kilmuir in the Isle of Skye within the Highland Council area. Only just over a quarter of speakers live in localities where Gaelic speakers form a majority.

There is a high degree of urbanisation within the Gaelic speech community with large concentrations of Gaelic speakers living in Greater Glasgow, Edinburgh, Inverness and Aberdeen. For example, 11,211 Gaelic speakers, or 19% of all Gaelic speakers, live in Greater Glasgow according to the 2001 census.<sup>2</sup>

Chan eil figear cinnteach ann airson na h-àireimh de luchd-ionnsachaidh inbheach neo-fhileanta. Ach, cho-dhùin sgrùdadadh nàiseanta ann an 1995 le John Galloway às leth Comunn na Gàidhlig, bòrd leasachaidh na Gàidhlig, gun robh mu 8,000 an Alba.<sup>3</sup>

Tha mu 2,500 sgoilearan bun-sgoile agus àrd-sgoile ann am foghlam Gàidhlig ( FG) gu nàiseanta aig an àm seo, le 700 pàiste eile ann an sgoiltean-àraich Gàidhlig. Taobh a-staigh foghlam Beurla eadar 2,500 agus 3,000 tha luchd-ionnsachaidh a' gabhail Gàidhlig mar chuspair san àrd-sgoil gach bliadhna eadar S1 agus S6.<sup>4</sup> Tha mòran chloinne ann am bun-sgoiltean Beurla a' gabhail pàirt anns an sgeama Gàidhlig sa Bhun-sgoil gach bliadhna: mu 6,500 pàiste ann an seisean 2005/6.

3 Galloway, John (1995). *Estimation of the Number and Distribution of Adult Learners of Gaelic: Final Report. Inbhir Nis: Comunn na Gàidhlig.*

4 Ann an seisean 2006/7, bha 701 pàistean a' frithealadh 60 sgoiltean-àraich Gàidhlig, bha 2092 sgoilearan sa bhun-sgoil air an teagast tro mheadhan na Gàidhlig ann an 62 sgoiltean agus bha 293 sgoilearan san àrd-sgoil ag ionnsachadh tro mheadhan na Gàidhlig ann an 17 sgoiltean. Anns an aon bhliadhna, bha 945 sgoilearan a' déanamh cursa Gàidhlig airson luchd-labhairt fileanta ann an clasaichean ann an 37 àrd-sgoiltean, gun a' chuid as mothach dhiubh sin fhathast a' tabhann cuspairean sam bith eile tro mheadhan na Gàidhlig. Bha 2696 sgoilearan eile aig iùre àrd-sgoile ann an clasaichean Gàidhlig do luchd-ionnsachaidh ann an 35 sgoiltean.

There is no authoritative figure for the number of non-fluent adult learners. However, a national study in 1995 by John Galloway on behalf of Comunn na Gàidhlig, the Gaelic development agency, found that there were roughly 8,000 in Scotland.<sup>3</sup>

There are around 2,500 primary and secondary schoolchildren in Gaelic-medium education (GME) nationally at present, with a further 700 children in Gaelic-medium nurseries. Within English-medium education between 2,500 and 3,000 learners study Gaelic as a secondary subject each year between S1 and S6<sup>4</sup>. Many children in English-medium primary schools take part in the *Gaelic Language in the Primary School* scheme each year: around 6,500 children in the 2005/06 session.

4 In the 2006/07 session, 701 children were attending 60 Gaelic-medium nurseries, 2092 primary school pupils were being educated through the medium of Gaelic in 62 schools and 293 secondary school pupils were studying through the medium of Gaelic in 17 schools. In the same year, 945 pupils were studying Gaelic for fluent speakers in classes in 37 secondary schools, most of which do not yet offer any other subjects through the medium of Gaelic. A further 2696 secondary pupils studied Gaelic classes for learners in 35 schools.

## CAIBIDIL II - BUN-DHLEASTANASAN

San Stiùireadh air Leasachadh Planaichean Gàidhlig reachdail, tha Bòrd na Gàidhlig ag ainmeachadh cruthachadh nan suidheachaidhean airson a cleachdadhe sa bheatha phoblaich mar aon de na prìomh nithean ann an àbhaisteachadh cleachdadhe na Gàidhlig. Tha am Bòrd air ceithir prìomh raointeán de libhrigeadh seirbheis a chomharrachadh air a bheil e ag iarraidh air buidhnean poblach aghaidh a chur ann an ullachadh am Planaichean Gàidhlig. 'S iad sin:

*Dearbh-aithne: dearbh-aithne chorporra soidhnichean*

*Conaltradh: fàilteachas  
fòn  
post agus postd  
foirmean  
coinneamhan poblach  
modhan gearain*

*Foilseachaidhean: dàimh phoblach agus na meadhanan  
stuth clò-bhualite  
làraich-lìn  
taisbeanaidhean*

*Luchd-obrach: trèanadh  
ionnsachadh càinain  
fastadh  
sanasachd*

Tha Riaghaltas na h-Alba a' tuigsinn gum faod pàirt cudromach a bhith aig gach gnìomh chorporra sin ann an àrdachadh ìomhaigh agus follaiseachd na Gàidhlig, agus ann an cruthachadh cothroman prataigeach do luchd-labhairt agus luchd-ionnsachaiddh Gàidhlig. Tha an earrann seo den Phlana Gàidhlig againn a' mìneachadh dè an solarachadh Gàidhlig a bhios air a dhèanamh co-cheangailte ri gach gnìomh.

Ann am beachdachadh air ciamar is urrainn a sholarachadh Gàidhlig anns na raointeán sin a leasachadh, thug an Riaghaltas na h-Alba aire do na riatanasan reachdail air an comharrachadh ann an Achd na Gàidhlig (Alba) 2005, agus do Stiùireadh a' Bhùird mu leasachadh Planaichean Gàidhlig. Tha an Stiùireadh ag aithris gur e an sùileachadh, san fharsaingeachd, anns na ceàrnaidhean far as àirde na h-àireamhan no na h-àireamhan sa cheud de luchd-labhairt Gàidhlig, gum bi raon nas fharsainge agus ìre dhleastanasan nas làidire anns a' Phlana Gàidhlig.

Tha Riaghaltas na h-Alba ag obair thar gach ceàrn de dh'Alba – mar sin, ann an leasachadh ar solarachadh Gàidhlig, bidh sinn a' cleachdaidh na h-ìre solarachaidh as lugha a bhuiteas do na raointeán obrach againn uile, agus a' toirt ìre solarachaidh leasaichte ann an ceàrnaidhean sa bheil an àireamh de luchd-labhairt Gàidhlig nas àirde. Tha Riaghaltas na h-Alba an dùil sgrùdadh a dhèanamh air cànan anns a' chiad bhliadhna de ghnìomhachadh ar Plana Gàidhlig gus cuideachadh a' comharrachadh roinnean de sheirbheisean agus sgìrean far am faodadh solarachadh Gàidhlig nas mionaidiche a bhith ion-dhèanta agus feumail.

Tha an earrann seo a' comharrachadh na h-ìre as lugha de sholarachadh Gàidhlig a tha sinn a' gealltainn a sholar anns na 5 bliadhna a mhaireas am plana. Bithear ag iarraidh air a h-uile roinn de Riaghaltas na h-Alba a dhol nas àirde na an ìre solarachadh bhunaiteach seo agus, fhad 's a mhaireas am plana, meudachadh mean air mhean air an t-solarachadh Gàidhlig a tha iad a' tabhann. Tha sinn a' tuigsinn cuideachd nach eil sa Phlana Gàidhlig seo ach toiseach töiseachaidh, agus a' sùileachadh gum bi na planaichean a nì sinn san àm ri teachd nan atharrachaidhean mòra anns an ìre bhunaiteach as lugha de sholarachadh Gàidhlig a bhios air a thabhann.

## CHAPTER II – CORE COMMITMENTS

In its statutory Guidance on the Development of Gaelic Language Plans, Bòrd na Gàidhlig identifies one of the key aspects to normalising the use of Gaelic to be in creating the conditions for its use in public life. The Bòrd has identified four core areas of service delivery that it wishes public bodies to address when preparing their Gaelic Language Plans. These are:

*Identity:*              *corporate identity signs*

*Communications:*    *reception*  
                              *telephone*  
                              *mail and e-mail*  
                              *forms*  
                              *public meetings*  
                              *complaints procedures*

*Publications:*          *public relations and media*  
                              *printed material*  
                              *websites*  
                              *exhibitions*

*Staffing:*                *training*  
                              *language learning*  
                              *recruitment*  
                              *advertising*

The Scottish Government recognises that each of these four corporate functions can play an important role in raising the profile and visibility of Gaelic, and of creating practical opportunities for Gaelic speakers and learners. This section of our Gaelic Language Plan sets out in turn what Gaelic provision will be made in relation to each of the functions.

In considering how it can develop its Gaelic provision in these areas, the Scottish Government has had regard to the statutory requirements laid out in the Gaelic Language (Scotland) Act 2005, and to the Bòrd's Guidance on the development of Gaelic Language Plans. The Guidance states that, in general terms, the expectation is that in those geographical locations, in which the percentages or numbers of Gaelic speakers is greater, the scope of the Gaelic Language Plan will be wider and the level of commitments in it will be stronger.

The Scottish Government operates across all areas of Scotland – in developing its Gaelic language provision, we will therefore adopt a minimum level of provision which will apply to all of our areas of operation, and will provide an enhanced level of provision in areas where the number of Gaelic speakers is greater. The Scottish Government intends to conduct a language audit within the first year of implementation of our Gaelic Language Plan to help identify aspects of services and geographical areas where more detailed Gaelic provision may be feasible and desirable.

This section sets out the minimum level of Gaelic language provision which we commit to providing in the 5-year lifetime of the Plan. All areas of the Scottish Government will be encouraged to exceed this basic level of provision and to gradually increase over the lifetime of the Plan the Gaelic provision which they offer. We also recognise that this Gaelic Language Plan represents a starting point, and expect our future Plans to represent step changes in the basic minimum level of Gaelic language provision which will be offered.

## Earrann 1 - Dearbh-aithne

Faodaidh Gàidhlig ann an dearbh-aithne chorporra agus soidhnichean ùghdarras poblach cur gu mòr ri follaiseachd a' chànan, agus tha e na aithris chudromach le ùghdarras poblach mun mheas agus an àite a tha aig a' Ghàidhlig. Faodaidh leudachadh air cleachdadhean na Gàidhlig tro shoidhnichean cuideachd cur ri briathrachas luchd-cleachdaidh Gàidhlig agus ri leasachadh a' chànan.

***Tha Riaghaltas na h-Alba a' tuigsinn cho cudromach 's a tha e a bhith a' cruthachadh mothachadh fad is farsaing air cleachdadhean na Gàidhlig agus a' toirt iomhaigh fhiughaireach dhi.***

## Section 1 – Identity

The presence of Gaelic in the corporate identity and signs of a public authority can greatly enhance the visibility of the language, and makes an important statement by a public authority about how Gaelic is valued and how it will be given recognition. Developing the use of Gaelic through signs can also enrich the vocabulary of Gaelic users and contribute to the development of the language.

***The Scottish Government recognises the importance of creating widespread awareness of the use of Gaelic and of promoting a positive image of it.***

## Section 2 – Communications

The use of Gaelic at the initial point of contact that members of the public have with a public authority increases the visible and audible presence of the language and contributes to the sense that the use of Gaelic is possible and welcome. In addition to raising the profile of the language, it also creates opportunities for its practical use and encourages members of the public to use Gaelic in subsequent dealings with the public authority.

The use of Gaelic in interactions with the authority by mail, e-mail and by telephone is important in creating practical opportunities for the use of the language, and in contributing to the sense that its use is possible and welcome. The presence of Gaelic in a wide range of Gaelic forms, or in bilingual forms, can also greatly enhance the visibility and prestige of the language. The preparation of Gaelic versions of forms, applications and similar documents, can also assist in expanding the range of Gaelic terminology and the awareness of the Gaelic-speaking public of such terminology, helping the development of the language itself.

*The Scottish Government recognises the importance of creating opportunities for the practical use of Gaelic in a wide range of everyday situations and is committed to increasing its level of provision in this area.*

## Section 3 – Publications

The use of Gaelic in a range of printed material can assist Gaelic development in a variety of ways. It helps increase the visibility of the language, it enhances Gaelic's status by being used in high-profile publications, and it can help develop new, and enhance existing, terminology. The use of Gaelic in the media helps demonstrate a public authority's commitment to making important information available through the medium of Gaelic, as well as enhancing the visibility and status of the language. As more people access information about public authorities through their websites, making provision for the use of Gaelic can significantly enhance the status and visibility of the language.

***The Scottish Government is committed to increasing the use of Gaelic in these areas where the subject matter is of most interest to the general public or relates specifically to Gaelic issues.***

Cuiridh comharrachadh obraichean anns a bheil Gàidhlig na sgil ainmichte gu mòr ri inbhe a' chàinain, agus ri comharrachadh gur e sgil fheumail a tha innse.

Tha cleachdadhean na Gàidhlig ann an sanasachd a' cuideachadh gu tuigsinn gum bu chòir Gàidhlig a chleachdadhean sa bheatha phoblaich agus gu bheil àite cudromach aig luchd-labhairt Gàidhlig taobh a-staigh an ùghdarrais phoblaich. Chan eil diofar dè an ìre sgilean Gàidhlig a dh'fheumar, tha e cudromach gun dèan ùghdarrasan cinnteach gu bheil Gàidhlig na fhior riatanas obrach agus gu bheil slatan-tomhais cothromach air an cleachdadhean agus air an cur an gnìomh gus dèanamh cinnteach gum bi gach dreuchd air a lìonadh air stèidh chothromach agus co-chòrdail, agus a rèir sgilean ainmichte na dreuchd.

***Tha Riaghaltas na h-Alba a' tuigsinn cho cudromach 's a tha àite a thoirt don Ghàidhlig mar sgil obrach cudromach agus sudheachaidhean a chomharrachadh anns a bheil cleachdadhean na Gàidhlig riatanach no feumail. ## Section 4 – Staffing

In order to deliver services through the medium of Gaelic, it is necessary to develop the requisite job skills and language skills of their staff. The provision of language learning for staff helps promote adult Gaelic learning, and in promoting Gaelic as a useful skill in the workplace. The identification of jobs in which Gaelic is an identified skill will contribute greatly to the status of the language, and in identifying it as a positive skill to acquire.

The use of Gaelic in advertising also helps recognise that Gaelic should be used in public life and that Gaelic speakers have an important role to play within a public authority. Whatever the level of Gaelic skills required, it is important that authorities ensure that Gaelic is a genuine occupational requirement and adopt and apply objective criteria to ensure appointments are made in each case on a fair and consistent basis, and reflect the identified skills needs of the post.

*The Scottish Government recognises the importance of recognising Gaelic as an important job skill and of identifying situations in which its use is essential or desirable. The Scottish Government also recognises the importance of enabling staff to develop their Gaelic skills where they wish to do so.*

### Sealladh farsaing air a' Phlana Nàiseanta

'S e aon de na prìomh nithean ann an Achd na Gàidhlig (Alba) 2005 an dleastanas a tha air a chur air Bòrd na Gàidhlig a bhith ag ullachadh Plana Nàiseanta na Gàidhlig. B' e an adhbhar airson Plana Nàiseanta a dheasachadh a bhith a' dèanamh cinnteach gum biodh sealladh coileanta agus aithnichte air dè dh'fheumar a dhèanamh gus dèanamh cinnteach gum bi a' Ghàidhlig seasmhach san àm ri teachd, agus cò na buidhnean a bu chòir sin a chur an gnìomh. 'S e amas deireannach a' Phlana Nàiseanta seasmhachd agus fàs a thoirt air an àireamh de luchd-labhairt na Gàidhlig an Alba.

Tha Plana Nàiseanta a' Bhùird a' comharrachadh ceithir roinnean eadar-cheangailte de leasachadh càinairt air am feumar aghaidh a chur, le grunn raointeann prìomhachais annata:

## CHAPTER III – COMMITMENTS TO THE NATIONAL PLAN FOR GAELIC

### Overview of the National Plan

One of the key features of the Gaelic Language (Scotland) Act 2005 is the duty placed on Bòrd na Gàidhlig to prepare a National Plan for Gaelic. The purpose of developing a National Plan was to ensure that there would be a comprehensive and widely understood overview of what actions are needed to ensure a sustainable future for Gaelic, and which bodies should take those actions. The ultimate goal of the National Plan is to stabilise and then grow the number of Gaelic speakers in Scotland.

The Bòrd's National Plan identifies four interlinking aspects of language development which need to be addressed, and within them sets out a number of priority action areas

#### *Language Acquisition*

Increasing the number of Gaelic speakers by ensuring the language is passed on and by securing effective opportunities for learning Gaelic, through:

- »> increasing the use and transmission of Gaelic in the home
- »> increase the number of children acquiring Gaelic in the home
- »> increasing the uptake and availability of Gaelic-medium education
- »> increasing the number of adult Gaelic learners progressing to fluency.

#### *Language Usage*

Encouraging greater use of Gaelic, providing opportunities to use the language, and promoting access to Gaelic forms of expression, through:

- »> increasing the use of Gaelic in communities
- »> increasing the use of Gaelic in tertiary education and places of work
- »> increasing the presence of Gaelic in the media
- »> increase the promotion of Gaelic in the arts
- »> increasing the profile of Gaelic in the tourism, heritage and recreation sectors.

#### *Language Status*

Increasing the visibility and audibility of Gaelic, enhancing its recognition and creating a positive image for it in Scottish public life, through:

- »> increasing the number of bodies preparing statutory Gaelic Language Plans
- »> increasing the profile and prestige of Gaelic
- »> increasing the visibility and recognition of Gaelic.

*Corpas cànan*

Neartachadh iomchaidheachd agus cunbalachd na Gàidhlig agus adhartachadh rannsachadh air a' chànan, tro:

- »> meudachadh air an aire a tha air a thoirt do dh'iomchaidheachd agus cunbalachd na Gàidhlig
- »> meudachadh air an aire a tha air a thoirt do chàileachd eadar-theangachaidhean Gàidhlig agus na tha ri fhaotainn dheth
- »> meudachadh air na tha ri fhaotainn de fiosrachadh neo-mhearrachdach bho rannsachadh.

***The Riaghaltas na h-Alba airson gum bi pàirt aige ann an dèanamh cinnteach gum bi am Plana Nàiseanta air a ghniomhachadh, agus anns an earrann seo tha sinn a' mìneachadh ciamar a nì sinn seo***

## **Sealladh farsaing air amasan Riaghaltas na h-Alba airson na Gàidhlig**

Tha a' Ghàidhlig na pàirt riatanach de dhualchas, dearbh-aithne nàiseanta agus beatha chultarail làthaireach na h-Alba. Tha Riaghaltas na h-Alba airson dèanamh cinnteach gum bi seasmhachd aig a' Ghàidhlig cuideachd an Alba san àm ri teachd. Tha Riaghaltas na h-Alba air obrachadh agus air cur an seilbh sa Ghàidhlig agus air na structairean agus iomairtean a dh'fheumar a chur an sàs agus tha e airson dèanamh cinnteach gum bi seasmhachd aig a' Ghàidhlig an Alba san àm ri teachd.

Tha na ceuman sin air an dealbh gus inbhe agus cliù na Gàidhlig àrdachadh, gus dèanamh cinnteach gu bheil luach air a chur air togail na Gàidhlig agus gus cothroman a chruthachadh airson a cleachdadh ann an iomadh seòrsa suidheachadh. Tha prògram Riaghaltas na h-Alba airson Gàidhlig a' gabhail a-steach trì priomh dhleastanasan agus tha ceuman prataigeach annta uile a bhios sinn a' gabhail gus dèanamh cinnteach gum bi adhartas air a dhèanamh le na dleastanasan sin.

### ***>> Bidh sinn a' cur ri inbhe na Gàidhlig***

Tha seo a' gabhail a-steach dèanamh cinnteach gum bi ìomhaigh nas mothà air a thoirt don Ghàidhlig taobh a-staigh beatha phoblaich na h-Alba agus gum bi meudachadh ann an solarachadh sheirbheisean do luchd-labhairt Gàidhlig.

### ***>> Bidh sinn a' brosnachadh togail agus ionnsachadh na Gàidhlig***

Gabhaidh seo a-steach adhartachadh agus leudachadh air solarachadh foghlaim Gàidhlig aig a h-uile ìre, a' toirt taic do dh'ùghdarrasan ionadail, ag obair còmhla ri Bòrd na Gàidhlig.

### ***>> Bidh sinn a' brosnachadh barrachd cleachdadh na Gàidhlig***

Bidh seo air a choileanadh le bhith a' toirt taic agus comhairle do Bhòrd na Gàidhlig ann an libhrigeadh priomh phròiseactan anns a' Phlana Nàiseanta agus le stèidheachadh seirbheis dhidseatach Ghàidhlig.

### *Language Corpus*

Strengthening the relevance and consistency of Gaelic and promoting research into the language, through:

- »> increasing the attention given to the relevance and consistency of the Gaelic language
- »> increasing the attention given to the quality and accessibility of Gaelic translations
- »> increasing the availability of accurate research information.

*The Scottish Government is committed to playing its part to ensure that the National Plan is implemented, and in this section we set out how we will do so.*

### **An overview of the Scottish Government's ambitions for Gaelic**

Gaelic is an integral part of Scotland's heritage, national identity and current cultural life. The Scottish Government is committed to ensuring that Gaelic also has a sustainable future in Scotland. The Scottish Government has taken action and has invested in Gaelic and has put in place the necessary structures and initiatives and is committed to ensuring Gaelic has a sustainable future in Scotland.

These measures are designed to raise the status and prestige of Gaelic, to ensure that the acquisition of Gaelic is prized and to create opportunities for its use in a wide range of contexts. The Scottish Government's programme for Gaelic includes three main priority commitments and each of these have practical steps that we will take to ensure progress is made with these commitments.

#### **»> *We will enhance the status of Gaelic***

This involves ensuring that Gaelic is given an increased profile within Scottish public life and that there is an increase in the provision of services for Gaelic speakers.

#### **»> *We will promote the acquisition and learning of Gaelic***

This will include promoting and expanding the provision of Gaelic education at all levels, supporting local authorities, working with Bòrd na Gàidhlig.

#### **»> *We will encourage the increased use of Gaelic***

This will be achieved by supporting and advising Bòrd na Gàidhlig in the delivery of key projects in the National Plan and with the establishment of the Gaelic digital service.

## Na dòighean anns a bheil Riaghaltas na h-Alba a' toirt taic do leasachadh na Gàidhlig aig an àm seo

The Riaghaltas na h-Alba mar-thà ag adhartachadh agus a' toirt taic do leasachadh na Gàidhlig ann an iomadh dòigh. Tha e a' dèanamh seo tro mhaoineachadh direach do bhuidhnean mar Bòrd na Gàidhlig, tro obair Bhuidhnean-gníomha agus NDPBan a bhios a' coileanadh ghníomhan às leth Riaghaltas na h-Alba, agus obair bhuidhnean taobh a-staigh na h-àrainneachd reachdail agus poileasaidh a stèidhich Riaghaltas na h-Alba agus Pàrlamaid na h-Alba. Tha gearr-chunntas air a thoirt gu h-ìosal air na h-eileamaidean as cudromaiche den structair taice seo.

Aig an àm seo tha còig deug Buidheann-gníomha SG ann. Gabhaidh cumhachan a' Phlana Gàidhlig seo cuideachd a-steach obair nam Buidheann-gníomha sin. Ann an cuid de chùisean tha dleastanas agus dreuchdan sònraichte aig Buidhnean-gníomha, agus 's dòcha gun co-dhùin iad, còmhla ri Bòrd na Gàidhlig, Plana Gàidhlig a dheasachadh dhaibh fèin. Ach, anns na suidhichidhean sin bhiodh sinn a' sùileachadh gun cùm iad ri prionnsabalan agus raon Plana SG. 'S e seo a tha Eachdraidh na h-Alba agus HMIE a' dèanamh agus le na gñiomhan sònraichte a tha aca, tha e na buuannachd do na buidhnean-gníomha sin.

*Gníomhachadh Achd na Gàidhlig (Alba) 2005 –* Bha Achd 2005 air a tòiseachadh sa Ghearran 2006, a' cruthachadh frèam airson leasachadh Planaichean Gàidhlig le buidhnean poblach, agus a' stèidheachadh buidheann ùr, Bòrd na Gàidhlig, gus Gàidhlig adhartachadh agus a leasachadh. Mar sponsair Achd 2005, tha dlùth

chom-pàirt aig Riaghaltas na h-Alba ann an gníomhachadh na h-Achd.

*Gníomhachadh Cairt Eòrpach nam Mion-chànanan* – tha an Cùmhnant air a dhealbh gus mion-chànanan na h-Eòrpa a dhòn agus adhartachadh agus chaith a dhaingneachadh san Rìoghachd Aonaichte a thaobh Gàidhlig agus Scots, Còrnais, Cuimris, Gàidhlig Mhanainneach, Ulaidh-Scots agus Gaeilge na h-Èireann. Tha uallach air Riaghaltas na h-Alba airson gníomhachadh nam pàirtean den chùmhnant a bhuineas do raointean tiomnaichte, mar solarachadh foghlaim agus leasachadh cultarail. ## The ways in which the Scottish Government currently supports Gaelic development

The Scottish Government already promotes and supports Gaelic development in a wide range of ways. It does this through direct funding to bodies such as Bòrd na Gàidhlig, through the actions of Executive Agencies and NDPBs which carry out functions on behalf of the Scottish Government, and through the activities of bodies which operate within the statutory and policy environment established by the Scottish Government and the Scottish Parliament. Set out below is a summary of the most significant elements of this existing support structure.

There are currently fifteen Agencies of the Scottish Government (details of these can be found on our website). The provisions of this Gaelic Plan will also cover the operations of these Agencies. In some cases Agencies have distinctive role and functions, and may prefer to develop their own Gaelic Language Plan in discussion with Bòrd na Gàidhlig. However, in these cases we would expect the principles and scope of the Scottish Government's Plan to be followed. This is the case with Historic Scotland and Her Majesty's Inspectorate of Education and given their distinctive functions, there is considerable advantage for these agencies in doing so.

*Implementation of the Gaelic Language (Scotland) Act 2005* – the 2005 Act was commenced in February 2006, creating a framework for the development of Gaelic

Language Plans by public bodies, and establishing a new body, Bòrd na Gàidhlig, to promote and develop Gaelic. As sponsor of the 2005 Act, the Scottish Government takes a close interest in its implementation.

*Implementation of the European Charter for Regional or Minority Languages* – the Charter is designed to protect and promote Europe's lesser used languages and has been ratified in the UK in respect of Gaelic and Scots, Cornish, Welsh, Manx, Ulster-Scots and Irish-Gaelic. The Scottish Government is responsible for implementing those aspects of the charter which fall in devolved areas, such as education provision and cultural development. The Scottish Government works with a range of public, private and voluntary bodies to ensure implementation of the Charter across Scotland.

*Bòrd na Gàidhlig* – Bòrd na Gàidhlig was established under the 2005 Act with a statutory remit to promote and facilitate the promotion of Gaelic development. Bòrd na Gàidhlig is the Scottish Government's principal Gaelic development body and is responsible for disbursing the Scottish Government's direct Gaelic development funding. The Bòrd's budget for Gaelic development is £5.4m in 2010/11 and through this it supports a range of Gaelic development bodies such as Comunn na Gàidhlig and Cli Gàidhlig to undertake development work in the community, the home and in adult education. Bòrd na Gàidhlig is the lead body for driving implementation of the National Plan for Gaelic and the key projects within it.

### **We will promote the acquisition and learning of Gaelic**

*The Scottish Government recognises that a sustainable future for Gaelic requires more people to learn the language and that attention requires to be focused on the home, education and adult learning as the key means of achieving this.
